Annual Fund

Because Care Begins At Home

How can you help our elders?

Dear Friends:

Our Annual Fund goal again this year is \$50,000.00. Last year, with your help, we were able to raise \$47,000.00. Many of you have been very generous over the course of this very difficult year. Your thoughts and prayers have been appreciated very much. No one ever thought we would have a pandemic and the effects it would have on everyone. Your support **DOES** make a difference.

Many of our elders have worked and planned their entire lives to have a secure financial future. Life's changing circumstances have affected their savings and now even their mental health. Our staff has done their very best to keep our elders active and cheerful during this difficult time.

Please consider making a contribution to the Ave Maria Foundation. Your contribution will supplement many of our elders who are literally running out of money. It will assist us in providing the quality care and services for those in our community.

Annual Fund at a glance:

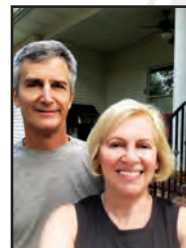

- Last Year's Annual Fund: \$47,000.00 raised (Thank you!)
- 110 people donated last year.
- Our average age at Ave Maria is 90 years old.
- It costs \$235.00 per day to provide care for one elder.
- Every gift is tax deductible.
- Consider leaving a gift in your will or estate plan.

Enclosed is an envelope for your convenience or you can make your gift on-line at www.avemariahome.org and clicking on the **MAKE A DONATION** button. Please know that your gift will have a significant impact on the lives of our elders and will bring them comfort and peace of mind.

Thank you for your support for the Ave Maria Foundation!

We give to Ave Maria because ...
